

Report to the UNDE Triennial Convention from the UNDE Standing Bylaws Committee

As set by our National President, the UNDE Standing Bylaws Committee is comprised of Sisters Clay Joyce (VP/CSE), and Paulette Barker (VP/NCR) and is chaired by Brother T. Mark Miller (VP/BC).

We have had occasion to meet on two separate occasions to deal with issues arising from two Locals. One was a matter of a Local being in trusteeship, and the other was a review of a Local's elections. The latter has resulted in a resolution coming to this Triennial Convention for debate.

The committee has also been responsible for collecting data and monitoring the application of the UNDE Harassment Policy.

The Committee Chair – Brother Miller has also been involved with the Standing Finance Committee Co-Chair-Brother Turcq and the National President-John MacLennan and the Executive Vice-President-Mary Chamberlain, in the selection process for a new Investment Broker for our various funds.

Respectfully submitted by T. Mark Miller VP/BC and Committee Chair
