

Vice – President Report Nova Scotia – Terry Kiley

From the time of my last report, we as a National Executive had our NE meetings in Calgary. We also attended the UNDE Triennial Convention also in Calgary. Details of these meetings can be found in the National Executive Report.

I have outlined various meetings that I have attended between August and December 2011. I would like to highlight some of the issues that I have been involved over that time period.

I attended the 46th Convention of the Nova Scotia Federation of Labour. The theme was 'Making a Difference in Our Workplaces, Communities and our Province'. We had 210 voting Delegates along with observers and office staff.

Brother Ken Georgetti from the CLC was the keynote speaker. He spoke about the shipbuilding contract that was awarded to ISL shipyard and the impact it will have on the local economy and the positive impact with the unionized tradespersons in the region. Brother Rick Clarke was re-elected President, Sister Joan Jessome re-elected as first Vice President and Sister Colleen Hodder from Local 80403 as Vice President at large.

November 22-23 I attended the PSAC National Health and Safety Forum in Ottawa. The objectives of this forum were to share best practices among OHS policy committee members, identify challenges and opportunities to build the capacity where required and provide an opportunity to network, share knowledge and expertise. This will help to make recommendations to the PSAC National Board of Directors standing committee on occupational health and safety.

We also had a site visit by Philippe Turcq and Tim McGrath of the DCC Committee who collected information on DCC activities in the area. We also had a site visit from Ken Waldron of the ship's crew committee gathering information from the east coast members for his meeting with the employer, mid December.
