

VP Québec Regional Report

I present this report that covers from August 22 2011 to this date.
I have been quite busy in Valcartier and with the projected cuts LFQA.

I was also involved in the United Way campaign in my region but not very active because of my DCC portfolio and went on holidays for 2 weeks.
I also had a few AGMs and elections.

I submit this report to the NE.

Philippe Turcq
VP Québec UEDN
